# COURSE CURRICULUM PROSPECTUS

Learn how to build websites in only 3 days & get a certificate on completion.

**The [www.Websites.Expert](http://www.Websites.Expert) Website Design Academy Short Course will:**

- Teach you step-by-step how to build and host a basic website for yourself.
- Teach you how to create your own job from building websites - build basic websites for others & earn cash from it!
- Give you the basic tools to become an expert on basic websites.
- We will address theory, but focus on real world practical applications.

**The Basic Course will teach you:**

- How to register website domain names for yourself and others
- How to register website hosting packages
- How to install your website on your hosting package
- How to build your website with free, easy-to-use drag-and-drop tools

**Course Fees Specials. There are 3 Website Design Short Courses:**

1. Basic Starter Course (3 days) - ~~R9,999~~ NOW ONLY R4,999
2. Intermediate Course (4 days) - ~~R11,999~~ NOW ONLY R6,999
3. Advanced Course (5 days) - ~~R14,999~~ NOW ONLY R9,999

\* Full details can be found at [www.websites.expert/our-course-layout/](http://www.websites.expert/our-course-layout/)
